

CONFIDENTIALITY AND PRIVACY (CHILD SAFE) POLICY

Introduction

The Child Safe Code of Conduct outlines appropriate standards of behaviour for all adults in Good Shepherd Lutheran School Para Vista environment towards students. It serves to protect students, reduce any opportunities for harm or risk of harm to students to occur, and promote child safety in the Good Shepherd Lutheran School Para Vista environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

It is the Good Shepherd Lutheran School Para Vista's policy that any breach of the Child Safe Code of Conduct is a child safe incident that must be reported internally. Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

The Child Safe Code of Conduct is published on our public website.

Our Child Safe Program also includes a Staff and Student Professional Boundaries Policy that provides detailed guidance for all Staff, Volunteers, Contractors and External Education Providers on how to maintain professional boundaries between students and adults at Good Shepherd Lutheran School Para Vista.

The Good Shepherd Lutheran School Para Vista reviews the Child Safe Code of Conduct annually.

Procedures

Protection of Reporters' Identity

Reports made to the Department for Child Protection (Department for Child Protection's) are confidential. If you make a report, your identity is generally protected by law.

Your identity as a Mandated Notifier, or a Voluntary Reporter, will not be disclosed except:

- where an official, such as a South Australia Police Officer, is acting in the course of their official duties
- where a court deems it necessary, and gives permission for your identity to be disclosed as evidence in legal proceedings; or

Reporter Liability

If you, in good faith (honestly and reasonably), make a report to Department for Child Protection's, you will not be held to have breached any code of professional etiquette or ethics, or to have departed from any form of professional conduct. Therefore, you will not incur any civil or criminal liability in respect of the notification.

Protection of Workers' Working with Children Check (WWCC) Information

You, or any other person, will commit an offence under the Child Safety (Prohibited Persons) Act 2016 (SA) (Prohibited Persons Act) if you directly or indirectly disclose information obtained in the course of the administration or operation of the WWCC Scheme (including, for example, unique identifiers and whether or not a person is a prohibited person) unless the disclosure is:

- for the purposes of the administration or enforcement of the Prohibited Persons Act
- for the purposes of referring the matter to a law enforcement agency, or a person or agency exercising official duties under an Act relating to the care or protection of children
- for the purposes of a criminal proceeding or a proceeding for the imposition of a penalty; or
- reasonably necessary for the protection of the lawful interests of that person; or
- otherwise required or authorised by or under the Prohibited Persons Act or any other Act.

Good Shepherd Lutheran School Para Vista protects the privacy of people whose WWCC information it receives under the WWCC Scheme.

Note however that parents or guardians can require any person who is performing child-related work with respect to their child to provide their full name and unique identifier, unless the person does not, by law, have to have a WWCC.

In addition, any person can access and inspect the DHS online records management system.
