IPAD PROGRAM

Commenced in 2024, our iPad initiative is implemented for students from Year 3. An annual fee is applicable, covering each academic year through to Year 6. This fee covers the provision of a fully supported iPad, along with a protective cover and screen protector. Upon the successful completion of Year 6 at Good Shepherd Para Vista, families retain ownership of the device.

**Please note: Students commencing after the start of Year 3 will have an adjusted iPad program fee according to the iPad cost for that student.

PAYMENT OF FEES

School fees are raised at the start of the year. A range of payment options are available. It is not school policy to carry fees forward into the next billing year, therefore fees subject to agreed payment plans must be finalised by the end of November of the school year.

LATE / NON-PAYMENT

The Good Shepherd Lutheran School Board reserves the right to terminate the schooling of a student whose fees are in arrears. The School also reserves the right to charge a late payment fee and the cost of recovery fees on overdue accounts.

SPLIT ACCOUNTS

Family accounts **will not be split** and will be billed as per the enrolment form. Where this represents a separated family, the School expects the enrolling parents/caregivers to arrange payment plans between themselves ensuring all fees are up to date.

In the event of a student's withdrawal from the School, parents must provide written notice to the Principal at least one full school term in advance of the student's final day of attendance. School holidays are not included in the notice period. For example, for a student leaving at the end of the school year and not returning for Term 1, notice must be received by the end of Week 2 of Term 4.
